2023/2024 PRECEPT

We have made it a priority to provide good, value for money services for our residents and 2023/2024 is no exception.

The Council agreed a precept of £86,764 which is an average Band D Household precept of £55.90 for the year.....that's £1.07 per week and an annual increase of only 26p.

Through effective sound financial management, this year we can keep our precept low whilst delivering our new community centre and allotment site and bringing you an exciting community engagement programme with new events and activities to cater for all interests.
